NEW OPPORTUNITIES & CHOICES FOR CUSTOMERS

Customer Hall & Show Plaza

Place for breaking down customer needs and finding the best and individual solution.

AMADA School

A wide variety of high qualified training courses on the computer and several machines will be offered.

Parts Center

More flexibility and a very short response time.

Service Hotline

The service hours will be increased.

P&P Rooms

Designed to individualize Presentations & Proposals, the P&P Rooms offer an ideal setting for video presentations and computer generated factory simulations - each used to address specific customer needs and determine optimal customer solutions.

3rd Lobby

Show Plaza

Conference Room
